agirlcalledB is a Freelance Photographer, Artist & Designer, Instagram Influencer + founder of THE DUSTY TRIBE™.

My signature tones echo the sunburnt land of Australia, reminding us that:

“From the outback to the sea; the mountains to the country; our universal language is dust.”

Photography immortalises moments in time; a moment that becomes yours to treasure for life, & share with generations to come.

“Your vibe attracts YOUR TRIBE”
My photography is a lifetime investment in preserving your memories & creating your legacy.

“We’re all a little weird. And life is a little weird. And when we find someone whose weirdness is compatible with ours, we join up with them and fall into mutually satisfying weirdness — and call it love — true love.”
Robert Fulghum
“IT’S ONE THING TO MAKE A PICTURE OF WHAT A PERSON LOOKS LIKE. IT’S ANOTHER THING TO MAKE A PORTRAIT OF WHO THEY ARE.”

— PAUL CAPONIGRO
Fairbanks Farm Graytown began in January 2019 after Jordan & Giorgi purchased their first farm—“Fairbanks”. It had been a lifelong dream of the two young farmers to one day own land & finally have a farm to call their own.

An Artisanal Pastured Free Range Egg Farm, providing sustainable Eggs to The Strathbogie Region & Beyond.
“IF I COULD GIVE YOU ONE THING IN LIFE, I WOULD GIVE YOU THE ABILITY TO SEE YOURSELF THROUGH MY EYES. ONLY THEN WOULD YOU REALIZE HOW SPECIAL YOU ARE TO ME.”

"Having grown up with an infatuation for everything 4-legged & 'cowgirl', it was written in the stars that I would find myself engrained in the rodeo scene, in more ways than one. Come hell or high water, I can be found behind my signature camo lens at most local events, so if you see me, say G'day!"

ABOUT ME

Originally spawned from the lush green of the Yarra Valley, I was born & raised as a bush brat, stomping in mud, riding horses & breaking bones. One thing lead to another & I found myself living on a 5000 acre Cattle, Sheep & Cropping farm just beyond Geelong. It is there that I rediscovered my affinity for rural life; the people, the towns & ‘rusty shit’, all full of that authentic ‘country-charm’... did I mention the breath-taking scenery?

Thereafter, I embarked on a ‘soul-searching’ journey - photographing the rodeo scene throughout USA - & returned with a renewed passion for ‘capturing a moment in time’.

These days, I’m content simply blogging my life through photos & spamming the world with ‘happy feels & country vibes’ on Social Media!
